

CONFLICT OF INTEREST POLICY

Enterprise Policy Document | Policy No. POL-COI-007 | Version 4.1

Policy Number:	POL-COI-007
Version:	4.1
Effective Date:	August 01, 2025
Next Review Date:	August 01, 2026
Policy Owner:	Anna Allen (EMP-38642) — Deputy Manager
Approval Authority:	Chief Compliance Officer
Classification:	Internal — Confidential

1. PURPOSE AND SCOPE

This policy Requires disclosure of personal, financial, or familial relationships that could compromise objectivity in vendor selection or approval decisions. It applies to all employees, contractors, and third parties acting on behalf of the organisation, across all business units and geographies in which the organisation operates. Non-compliance with this policy may result in disciplinary action up to and including termination of employment or contract.

2. POLICY STATEMENT

The organisation is committed to maintaining the highest standards of governance, transparency, and accountability in relation to conflict of interest policy. All transactions, approvals, and decisions falling within the scope of this policy must be conducted in accordance with the clauses set out below and are subject to periodic review by Internal Audit.

3. KEY CLAUSES

- Clause COI-1: All transactions exceeding the delegated approval limit must be escalated to the next approval level prior to execution.
- Clause COI-2: Supporting documentation, including receipts, contracts, or compliance certificates, must be retained and attached to the relevant record.
- Clause COI-3: Any deviation from this policy requires written justification and sign-off from the designated approval authority.
- Clause COI-4: Periodic monitoring will be performed by Internal Audit to assess adherence and identify control gaps.
- Clause COI-5: Violations identified during audit review will be logged as findings and tracked to remediation.

4. CONTROLS

Control ID	Type	Description	Frequency
COI-CTRL-01	Corrective	Remediation and corrective action workflow applied to transactions governed by this policy.	Quarterly
COI-CTRL-02	Preventive	Automated system validation applied to transactions governed by this policy.	Annually
