## 1. PURPOSE AND SCOPE

This policy Establishes the purpose, authority, and responsibility of the Internal Audit function including independence and reporting lines. It applies to all employees, contractors, and third parties acting on behalf of the organisation, across all business units and geographies in which the organisation operates. Non-compliance with this policy may result in disciplinary action up to and including termination of employment or contract.

## 2. POLICY STATEMENT

The organisation is committed to maintaining the highest standards of governance, transparency, and accountability in relation to internal audit charter. All transactions, approvals, and decisions falling within the scope of this policy must be conducted in accordance with the clauses set out below and are subject to periodic review by Internal Audit.

## 3. KEY CLAUSES

- Clause IAC-1: All transactions exceeding the delegated approval limit must be escalated to the next approval level prior to execution.
- Clause IAC-2: Supporting documentation, including receipts, contracts, or compliance certificates, must be retained and attached to the relevant record.
- Clause IAC-3: Any deviation from this policy requires written justification and sign-off from the designated approval authority.
- Clause IAC-4: Periodic monitoring will be performed by Internal Audit to assess adherence and identify control gaps.
- Clause IAC-5: Violations identified during audit review will be logged as findings and tracked to remediation.
