

SANCTIONS AND EXPORT CONTROL POLICY

Enterprise Policy Document | Policy No. POL-SANC-020 | Version 1.1

Policy Number:	POL-SANC-020
Version:	1.1
Effective Date:	August 31, 2024
Next Review Date:	August 31, 2025
Policy Owner:	Angel Brown (EMP-59119) — Senior Manager
Approval Authority:	Audit Committee
Classification:	Internal — Confidential

1. PURPOSE AND SCOPE

This policy Prohibits transactions with sanctioned entities and requires screening of vendors against applicable watch lists prior to onboarding. It applies to all employees, contractors, and third parties acting on behalf of the organisation, across all business units and geographies in which the organisation operates. Non-compliance with this policy may result in disciplinary action up to and including termination of employment or contract.

2. POLICY STATEMENT

The organisation is committed to maintaining the highest standards of governance, transparency, and accountability in relation to sanctions and export control policy. All transactions, approvals, and decisions falling within the scope of this policy must be conducted in accordance with the clauses set out below and are subject to periodic review by Internal Audit.

3. KEY CLAUSES

- Clause SANC-1: All transactions exceeding the delegated approval limit must be escalated to the next approval level prior to execution.
- Clause SANC-2: Supporting documentation, including receipts, contracts, or compliance certificates, must be retained and attached to the relevant record.
- Clause SANC-3: Any deviation from this policy requires written justification and sign-off from the designated approval authority.
- Clause SANC-4: Periodic monitoring will be performed by Internal Audit to assess adherence and identify control gaps.
- Clause SANC-5: Violations identified during audit review will be logged as findings and tracked to remediation.

4. CONTROLS

Control ID	Type	Description	Frequency
SANC-CTRL-01	Preventive	Automated system validation applied to transactions governed by this policy.	Quarterly
SANC-CTRL-02	Corrective	Remediation and corrective action workflow applied to transactions governed by this policy.	Annually
SANC-CTRL-03	Corrective	Remediation and corrective action workflow applied to transactions governed by this policy.	Annually
