

SUSPICIOUS TRANSACTION INVESTIGATION SOP

Standard Operating Procedure | SOP No. SOP-STI-007 | Version 2.3

SOP Number:	SOP-STI-007
Version:	2.3
Effective Date:	August 12, 2025
Process Owner:	Ashley Goodman (MGR-12.0) — Manager
Applicable System(s):	Audit Assistant Platform / ERP / Finance System

1. PURPOSE

This SOP defines the standardised process for suspicious transaction investigation to ensure consistency, control effectiveness, and audit traceability across all business units.

2. PROCESS FLOW

- Step 1:** Anomaly detection system flags transaction for review
- Step 2:** Fraud Investigation Officer triages alert within 24 hours
- Step 3:** Audit_Investigation record created with scope period and audit_question
- Step 4:** Evidence gathered from Transaction, Approval, and Compliance records
- Step 5:** Findings logged in Audit_Finding with severity and confidence_score
- Step 6:** Investigation closed with outcome and corrective action documented

3. ROLES AND RESPONSIBILITIES

Role	Responsibility
Compliance Officer	Performs periodic reconciliation and reporting
Risk Analyst	Initiates and validates process inputs
Department Head	Monitors exceptions and escalates as required
AP Specialist	Performs periodic reconciliation and reporting

4. CONTROLS

This process incorporates the following key controls: (i) system-enforced validation against the Delegation of Authority Policy; (ii) mandatory documentation attachment prior to approval; (iii) periodic exception reporting to Internal Audit; and (iv) quarterly process effectiveness review.

5. EXCEPTION HANDLING

Any deviation from this SOP must be documented with justification and approved by Manager or delegate. Exceptions are logged in the exception register and reviewed monthly by the Risk Committee. Repeated exceptions of the same type will trigger a process redesign review.

6. RELATED DOCUMENTS

This SOP should be read in conjunction with the Delegation of Authority Policy, the Internal Audit Charter, and the relevant functional policy governing this process area.
